# West Galt is a great community - and it's still growing!

The Gaslight District is located right along the Grand River, making for beautiful views of the water with Downtown Galt in the background.

The area is well known for film shoots, including The Handmaid's Tale, Murdoch Mysteries and The Queen's Gambit!

# WEST GALT

West Galt is located on the southwest side of Cambridge with close access to highway 24 and the 401

West Galt is a beautiful community with amazing architecture, booming real estate, plentiful dining, picturesque parks and great schools.

The town has a rich history and there's loads of century homes and historic buildings to discover. You're never short on scenery with the Grand River running right through town, dividing east and west, creating a fantastic balance here between the charm of a small town and the convenience of modern amenities.

A short walk away you will discover multiple dining options and varied shopping opportunities, or simply grab an ice cream and spend some time in Victoria Park.
